

# **SAMPLE**

# **Training Props**

- These training props are provided as examples of props used by local fire departments to deliver hands-on training.

**PART VI**

# DIVISION OF TRAINING

The training materials and props presented in this program have been gathered from a variety of sources. If your fire department is not included in this material and you would like it to be, submit your pictures or power point presentation for the next edition.

LP Gas Tank Fire Prop

**Flash Over**

When Thermal Radiation  
causes the fire to spread  
to other parts of the  
structure. It is a  
dangerous and  
unpredictable event  
that can lead to  
total destruction.
